

**RISK MANAGEMENT**

The Trustees are responsible for the management of risks faced by the Charity. Risks are identified, assessed, and appropriately controlled through a variety of mechanisms including:-

- formal agendas and minutes for all Trustees' meetings
- agreed individual responsibilities for Trustees on which they regularly report
- regular financial reports including reviews of how the Charity's funds are being utilised
- regular written reports and papers on the conduct and development of the Charity
- development of the Charity's strategies and update of policies through continuous review
- clear authorisation and approval levels
- vetting procedures when required by law for the protection of children
